Description

Product Description:

- Rechargeable and portable, this cordless water flosser offers 30 seconds of flossing time and is perfect for use in smaller bathrooms or for travel.
- Removes plaque and debris from deep between teeth and below the gumline where brushing and traditional flossing can't reach, helping to prevent bad breath, gum disease, and tooth decay
- Leaves your mouth feeling incredibly fresh and clean
- Effective Plaque Removal: Removes up to 99.9% of plaque from treated areas.
- Healthier Gums: Clinically proven up to 50% more effective for improving gum health vs. string floss
- Removes plaque and debris deep between teeth and below the gumline where brushing and traditional flossing can't reach
- Great for people with implants, and those with crowns, bridges, and veneers
