Description

Product Description:

- The Ultra Plus Water Flosser is a countertop model featuring a water on/off control on the handle and storage for extra tips built into the lid.
- Removes plaque and debris from deep between teeth and below the gum line where brushing and traditional flossing can't reach, helping to prevent bad breath, gum disease, and tooth decay. Leaves your mouth feeling incredibly fresh and clean.
- Effective Plaque Removal: Removes up to 99.9% of plaque from treated areas and is up to 50% more effective for improving gum health vs. string floss.
- Healthier Gums: Clinically proven up to 50% more effective for improving gum health vs. string floss
- Ideal for Implants: Clinically proven up to 2X as effective for improving gum health around implants vs. string floss using the Plaque Seeker™ tip
- Essential for Braces: Clinically proven up to 3X as effective for removing plaque around braces vs. string floss using the orthodontic tip.
- Leaves your mouth feeling incredibly fresh and clean
- Great for people with implants, and those with crowns, bridges, and veneers.
